I. PURPOSE:

The purpose of this Request for Proposal (RFP) is to solicit sealed proposals to establish contracts through competitive negotiation for the purchase of services to conduct several Cost Share projects, see attachments for details, by the Commonwealth of Virginia's Department of Historic Resources (DHR).

II. BACKGROUND:

DHR is responsible for the identification, evaluation and protection of historic resources throughout the Commonwealth. In order to work cooperatively with local governments toward these goals, DHR administers the Cost Share Program for the purpose of establishing agreements for local historic resource documentation and planning projects. The Cost Share Program has been designed to promote local and regional documentation and planning efforts and responds to Executive Memorandum 1-91, which requires agencies to reduce administrative burdens imposed on local governments in the management of state financial assistance programs.

In February of 2017, DHR issued a Request for Applications (RFA) to all Virginia localities and Planning District Commissions (PDC), to submit applications to DHR for Survey and Planning Cost Share Program funding for the 2017-18 cycle. The Cost Share program allows project costs to be shared between DHR and the local government or PDC. Eligible projects encompass a broad range of survey and planning activities that include a survey and/or Virginia Landmarks Register and National Register of Historic Places component, and address historic resources through identification, documentation, evaluation, and preservation planning activities consistent with the responsible stewardship of historic resources.

Following review of the applications submitted in response to the RFA, research and evaluation of project requirements, and consultation with local governments and PDCs receiving awards for the 2017-18 program cycle, DHR prepared project scopes of work for issuance in this RFP. All administrative functions of the projects posted in this RFP will be the responsibility of DHR, including securing professional services to accomplish the work, and management of the projects to ensure that products resulting from the projects meet the needs and requirements of the participating local governments and PDCs and DHR, and that project services and products are accomplished and delivered in a timely manner.

III. STATEMENT OF NEEDS:

Please see each individual attached scope of work to obtain that project's specific statement of needs.

IV. PROPOSAL PREPARATION AND SUBMISSION REQUIREMENTS:

A. GENERAL REQUIREMENTS:

- 1.** RFP Response: In order to be considered for selection, offerors must submit a complete response to each attached scope of work, that the offeror wishes to submit a proposal for, contained in this RFP. **One original, so marked, and five (5) copies of each proposal must be**

submitted to DHR, and one (1) electronic copy saved as a PDF to a CD or flash drive must be submitted to DHR. This includes pages 2-3 and page 21 of the RFP solicitation. The offeror shall make no other distribution of the proposal.

2. Proposal Preparation:

- a.** The proposal(s) shall be signed by an authorized representative of the offeror. All information requested must be submitted. Failure to submit all information requested may result in the agency requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.
- b.** The proposal(s) shall be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis must be placed on completeness and clarity of content.
- c.** Each copy of the proposal(s) must be bound or contained in a single volume where practical. All documentation submitted with the proposal(s) must be contained in that single volume.
- d.** Ownership of all data, materials and documentation originated and prepared for DHR pursuant to the RFP shall belong exclusively to DHR and be subject to public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by an offeror shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the offeror must invoke the protection of Section 2.2-4342 of the *Virginia Public Procurement Act* prior to or upon submission of the data or other materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary.

- 3.** Oral Presentation: Offerors who submit a proposal(s) in response to this RFP may be required to give an oral presentation of their proposal(s) to the DHR. This provides an opportunity for the offeror to clarify or elaborate on the proposal(s). This is a fact finding and explanation session only and does not include negotiation. The DHR will schedule the time and location of these presentations. Oral presentations are an option of the DHR and may or may not be conducted.

B. SPECIFIC PROPOSAL REQUIREMENTS:

Proposal(s) must be as thorough and detailed as possible so that the DHR may properly evaluate your capabilities to provide the required services. Offerors are required to submit the following items as a complete proposal(s):

1. The return of the RFP cover sheet, pricing schedule and addenda, if any, signed and filled out as required. (**This constitutes the State form**).
2. The format of each proposal must contain the following elements organized into separate chapters and sections, as the offeror may deem appropriate:
 - a. Approach and Work plan: The proposal(s) must address, in depth, the offeror's plan to meet the requirements of each of the tasks and activities outlined in the Statement of Needs of this RFP. The work plan must:
 1. Discuss the staffing level(s) required to complete each task, as well as the relative effort that each member of the proposed project team will devote to the project.
 2. Include a task-by-task schedule of the time required to complete the project.
 3. Demonstrate how the steps of the work plan are supported by the proposed hours the offeror agrees to commit to the project.
 - b. Management Plan and Timetable: The offeror must:
 1. Present a plan that clearly explains how it will manage and control all proposed activities and the resulting timetable.
 2. Explain how the management and administrative processes will ensure that appropriate levels of attention are given so that work is properly performed and that milestones are met on a timely basis as proposed.

This section should set forth beginning and ending dates, deliverables, and major milestones for a proposed timetable that coincides with the proposed work plan. This section should elaborate on the proposed schedule with a detailed explanation of anticipated time and effort that will be needed to accomplish each milestone.
 - c. Project Team Qualifications and Experience: This section must include the qualifications of the staff the offeror will assign to this project once selected. At a minimum, the proposal shall:
 1. Designate a Project Manager.
 2. Include the organization, functional discipline, and responsibilities of project team members.

3. Provide a complete resume or description of each team member's education, professional experience, length of time employed by the offeror and/or a sub-offeror.
 4. Personnel named in the proposal shall remain assigned to the project throughout the period of the contract. No diversion or replacement may be made without submission of a resume of the proposed replacement with final approval of the DHR.
 5. The offeror shall clearly state if it is proposing to subcontract any of the work herein. Names of subofferors are to be provided and by proposing such firm(s) or individuals, the offeror assumes full liability for the sub-offeror's performance.
- d. Firm Experience and Capabilities/References: The purpose of this section is to provide an overview of the offeror's company, plus the offeror's commitment to the services set forth in this RFP.
1. Summarize the organization structure and size of the company plus its date of organization and current principal place of business.
 2. Outline and briefly discuss the scope of services provided and the approximate percentage of the total business devoted to the type of services requested in this RFP.
 3. The offeror must specify, in a similar manner with references, etc., the qualifications of any subofferors to be used in this proposed project.
 4. Include a list or describe representative clients served, both nationally and by the local office focusing on clients similar in size and complexity to the City.
 5. Provide the current name, address and telephone number of at least three (3) specific references the company has served either currently or in the past two years; preferably those where one or more members of the project team provided the same or similar services as requested herein.
- Each reference should indicate the scope of services provided to each referenced client.
- e. Proposed price.
 - f. SWaM Certification.

C. OFFEROR REQUIREMENTS

Offerors shall meet the Secretary of Interior's Professional Qualifications Standards pertinent to the scope of work in each attachment. For Attachments C, D, E, F, and G, the offeror shall meet the minimum professional requirements for History, Architectural History, Architecture, or Historic Architecture. For Attachment H, the offeror shall meet the minimum professional requirements for Archaeology.

1. History

The minimum professional qualifications in history are a graduate degree in history or closely related field; or a bachelor's degree in history or closely related field plus one of the following:

- a. At least two years of full-time experience in research, writing, teaching, interpretation, or other demonstrable professional activity with an academic institution, historic organization or agency, museum, or other professional institution; or
- b. Substantial contribution through research and publication to the body of scholarly knowledge in the field of history.

2. Archeology

The minimum professional qualifications in archeology are a graduate degree in archeology, anthropology, or closely related field plus:

- a. At least one year of full-time professional experience or equivalent specialized training in archeological research, administration or management;
- b. At least four months of supervised field and analytic experience in general North American archeology, and
- c. Demonstrated ability to carry research to completion.

In addition to these minimum qualifications, a professional in prehistoric archeology shall have at least one year of full-time professional experience at a supervisory level in the study of archeological resources of the prehistoric period. A professional in historic archeology shall have at least one year of full-time professional experience at a supervisory level in the study of archeological resources of the historic period.

3. Architectural History

The minimum professional qualifications in architectural history are a graduate degree in architectural history, art history, historic preservation, or closely related field, with coursework in American architectural history, or a bachelor's degree in architectural history, art history, historic preservation or closely related field plus one of the following:

- a. At least two years of full-time experience in research, writing, or teaching in American architectural history or restoration architecture

- with an academic institution, historical organization or agency, museum, or other professional institution; or
- b. Substantial contribution through research and publication to the body of scholarly knowledge in the field of American architectural history.

4. Architecture

The minimum professional qualifications in architecture are a professional degree in architecture plus at least two years of full-time experience in architecture; or a State license to practice architecture.

5. Historic Architecture

The minimum professional qualifications in historic architecture are a professional degree in architecture or a State license to practice architecture, plus one of the following:

- a. At least one year of graduate study in architectural preservation, American architectural history, preservation planning, or closely related field; or
- b. At least one year of full-time professional experience on historic preservation projects.

Such graduate study or experience shall include detailed investigations of historic structures, preparation of historic structures research reports, and preparation of plans and specifications for preservation projects.

V. EVALUATION AND AWARD CRITERIA:

- A.** Award: Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting a proposal(s) on the basis of the evaluation factors included in the Request for Proposal, including price, if so stated in the Request for Proposal. Negotiations shall be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the agency shall select the offeror(s), which, in its opinion, have made the best proposal(s), and shall award the contract to those offerors. DHR may cancel this Request for Proposal or reject proposals at any time prior to an award, and is not required to furnish a statement of the reason why a particular proposal was not deemed to be the most advantageous. (Section 2.2-4359, *Code of Virginia*.) Should DHR determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the offeror's proposal as negotiated. DHR will award each line item or project separately and reserve the right to award multiple line items or projects to one vendor.

To ensure that all the work is accomplished within the specified time frames, DHR reserves the right to limit the number of contracts under DHR-sponsored

survey and planning cost share agreements to no more than two awarded to any one vendor for the same contract period.

- B.** Evaluation Criteria: Proposals will be evaluated by the DHR using the following criteria:

CRITERIA	POINT VALUE
A. Project Approach and Workplan	25
B. Project Management Plan and Timetable	25
C. Firm Experience and Capabilities/References	25
D. Project Cost	5
E. SWaM Certification	20

A DMBE-certified small business that serves as prime vendor will receive full credit for small business utilization. Other businesses will receive credit based on their Small Business Subcontracting Plan.

VI. GENERAL TERMS AND CONDITIONS:

- A. **VENDORS MANUAL:** This solicitation is subject to the provisions of the Commonwealth of Virginia *Vendors Manual* and any changes or revisions thereto, which are hereby incorporated into this contract in their entirety. The procedure for filing contractual claims is in section 7.19 of the *Vendors Manual*. A copy of the manual is normally available for review at the purchasing office and is accessible on the Internet at www.eva.virginia.gov under “Vendors Manual” on the vendors tab.
- B. **APPLICABLE LAWS AND COURTS:** This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia, without regard to its choice of law provisions, and any litigation with respect thereto shall be brought in the circuit courts of the Commonwealth. The agency and the contractor are encouraged to resolve any issues in controversy arising from the award of the contract or any contractual dispute using Alternative Dispute Resolution (ADR) procedures (*Code of Virginia*, § 2.2-4366). ADR procedures are described in Chapter 9 of the *Vendors Manual*. The contractor shall comply with all applicable federal, state and local laws, rules and regulations.
- C. **ANTI-DISCRIMINATION:** By submitting their (bids/proposals), (bidders/offerors) certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and § 2.2-4311 of the *Virginia Public Procurement Act (VPPA)*. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*Code of Virginia*, § 2.2-4343.1E).

In every contract over \$10,000 the provisions in 1. and 2. below apply:

1. During the performance of this contract, the contractor agrees as follows:

- a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
- b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
- c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
- d. The requirements of these provisions 1. and 2. are a material part of the contract. If the Contractor violates one of these provisions, the Commonwealth may terminate the affected part of this contract for breach, or at its option, the whole contract. Violation of one of these provisions may also result in debarment from State contracting regardless of whether the specific contract is terminated.
- e. In accordance with Executive Order 61 (2017), a prohibition on discrimination by the contractor, in its employment practices, subcontracting practices, and delivery of goods or services, on the basis of race, sex, color, national origin, religion, sexual orientation, gender identity, age, political affiliation, disability, or veteran status, is hereby incorporated in this contract.

2. The contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

D. **ETHICS IN PUBLIC CONTRACTING:** By submitting their proposals, offerors certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

E. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** Applicable for all contracts over \$10,000:

By entering into a written contract with the Commonwealth of Virginia, the Contractor certifies that the Contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

- F. **DEBARMENT STATUS:** By participating in this procurement, the vendor certifies that they are not currently debarred by the Commonwealth of Virginia from submitting a response for the type of goods and/or services covered by this solicitation. Vendor further certifies that they are not debarred from filling any order or accepting any resulting order, or that they are an agent of any person or entity that is currently debarred by the Commonwealth of Virginia.

If a vendor is created or used for the purpose of circumventing a debarment decision against another vendor, the non-debarred vendor will be debarred for the same time period as the debarred vendor.

- G. **ANTITRUST:** By entering into a contract, the contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said contract.

- H. **MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR IFBs AND RFPs:** Failure to submit a proposal on the official state form provided for that purpose may be a cause for rejection of the proposal. Modification of or additions to the General Terms and Conditions of the solicitation may be cause for rejection of the proposal; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a proposal.

- I. **CLARIFICATION OF TERMS:** If any prospective (bidder/offeror) has questions about the specifications or other solicitation documents, the prospective (bidder/offeror) should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

- J. **PAYMENT:**

1. **To Prime Contractor:**

- a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
- b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This

shall not affect offers of discounts for payment in less than 30 days, however.

- c. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which public agency is being billed.
- d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
- e. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be resolved in accordance with *Code of Virginia*, § 2.2-4363 and -4364. Upon determining that invoiced charges are not reasonable, the Commonwealth shall notify the contractor of defects or improprieties in invoices within fifteen (15) days as required in *Code of Virginia*, § 2.2-4351.,. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (*Code of Virginia*, § 2.2-4363).

2. To Subcontractors:

- a. Within seven (7) days of the contractor's receipt of payment from the Commonwealth, a contractor awarded a contract under this solicitation is hereby obligated:
 - (1) To pay the subcontractor(s) for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or
 - (2) To notify the agency and the subcontractor(s), in writing, of the contractor's intention to withhold payment and the reason.
- b. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.

- 3. Each prime contractor who wins an award in which provision of a SWaM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject

only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWaM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.

4. The Commonwealth of Virginia encourages contractors and subcontractors to accept electronic and credit card payments.
- K. **PRECEDENCE OF TERMS:** The following General Terms and Conditions *VENDORS MANUAL*, APPLICABLE LAWS AND COURTS, ANTI-DISCRIMINATION, ETHICS IN PUBLIC CONTRACTING, IMMIGRATION REFORM AND CONTROL ACT OF 1986, DEBARMENT STATUS, ANTITRUST, MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS, CLARIFICATION OF TERMS, PAYMENT shall apply in all instances. In the event there is a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.
- L. **QUALIFICATIONS OF (BIDDERS/OFFERORS):** The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the (bidder/offeree) to perform the services/furnish the goods and the (bidder/offeree) shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect (bidder's/offeree's) physical facilities prior to award to satisfy questions regarding the (bidder's/offeree's) capabilities. The Commonwealth further reserves the right to reject any (bid/proposal) if the evidence submitted by, or investigations of, such (bidder/offeree) fails to satisfy the Commonwealth that such (bidder/offeree) is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.
- M. **TESTING AND INSPECTION:** The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.
- N. **ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the contractor in whole or in part without the written consent of the Commonwealth.
- O. **CHANGES TO THE CONTRACT:** Changes can be made to the contract in any of the following ways:
1. The parties may agree in writing to modify the terms, conditions, or scope of the contract. Any additional goods or services to be provided shall be of a sort that is ancillary to the contract goods or services, or within the same broad product or service categories as were included in the contract award. Any increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.
 2. The Purchasing Agency may order changes within the general scope of the contract at

any time by written notice to the contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The contractor shall comply with the notice upon receipt, unless the contractor intends to claim an adjustment to compensation, schedule, or other contractual impact that would be caused by complying with such notice, in which case the contractor shall, in writing, promptly notify the Purchasing Agency of the adjustment to be sought, and before proceeding to comply with the notice, shall await the Purchasing Agency's written decision affirming, modifying, or revoking the prior written notice. If the Purchasing Agency decides to issue a notice that requires an adjustment to compensation, the contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Purchasing Agency a credit for any savings. Said compensation shall be determined by one of the following methods:

- a. By mutual agreement between the parties in writing; or
- b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the Purchasing Agency's right to audit the contractor's records and/or to determine the correct number of units independently; or
- c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present the Purchasing Agency with all vouchers and records of expenses incurred and savings realized. The Purchasing Agency shall have the right to audit the records of the contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from the date of receipt of the written order from the Purchasing Agency. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia *Vendors Manual*. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by the Purchasing Agency or with the performance of the contract generally.

- P. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Commonwealth may have.

- Q. **TAXES:** Sales to the Commonwealth of Virginia are normally exempt from State sales tax. State sales and use tax certificates of exemption, Form ST-12, will be issued upon request. Deliveries against this contract shall usually be free of Federal excise and transportation taxes. The Commonwealth's excise tax exemption registration number is 54-73-0076K.

If sales or deliveries against the contract are not exempt, the contractor shall be responsible for the payment of such taxes unless the tax law specifically imposes the tax upon the buying entity and prohibits the contractor from offering a tax-included price.

- R. **USE OF BRAND NAMES:** Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict offerors to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which the public body, in its sole discretion, determines to be the equivalent of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The offeror is responsible to clearly and specifically identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Unless the offeror clearly indicates in its proposal that the product offered is an equivalent product, such proposal will be considered to offer the brand name product referenced in the solicitation.
- S. **TRANSPORTATION AND PACKAGING:** By submitting their proposals, all offerors certify and warrant that the price offered for FOB destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity.
- T. **INSURANCE:** By signing and submitting a bid or proposal under this solicitation, the bidder or offeror certifies that if awarded the contract, it will have the following insurance coverage at the time the contract is awarded. For construction contracts, if any subcontractors are involved, the subcontractor will have workers' compensation insurance in accordance with §§ 2.2-4332 and 65.2-800 et seq. of the *Code of Virginia*. The bidder or offeror further certifies that the contractor and any subcontractors will maintain these insurance coverage during the entire term of the contract and that all insurance coverage will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

MINIMUM INSURANCE COVERAGES AND LIMITS:

1. Workers' Compensation - Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include the employer. Contractors who fail to notify the Commonwealth of increases in the number of employees that change

their workers' compensation requirements under the Code of Virginia during the course of the contract shall be in noncompliance with the contract.

2. Employer's Liability - \$100,000.
3. Commercial General Liability - \$1,000,000 per occurrence and \$2,000,000 in the aggregate. Commercial General Liability is to include bodily injury and property damage, personal injury and advertising injury, products and completed operations coverage. The Commonwealth of Virginia must be named as an additional insured and so endorsed on the policy.
4. Automobile Liability - \$1,000,000 combined single limit. (Required only if a motor vehicle not owned by the Commonwealth is to be used in the contract. Contractor must assure that the required coverage is maintained by the Contractor (or third party owner of such motor vehicle.)

<u>Profession/Service</u>	<u>Limits</u>
Accounting	\$1,000,000 per occurrence, \$3,000,000 aggregate
Architecture	\$2,000,000 per occurrence, \$6,000,000 aggregate
Asbestos Design, Inspection or Abatement Contractors	\$1,000,000 per occurrence, \$3,000,000 aggregate

Surveying	\$1,000,000 per occurrence, \$1,000,000 aggregate

U. **ANNOUNCEMENT OF AWARD:** Upon the award or the announcement of the decision to award a contract as a result of this solicitation, the purchasing agency will publicly post such notice on the DGS/DPS eVA VBO (www.eva.virginia.gov) for a minimum of 10 days.

V. **DRUG-FREE WORKPLACE:** Applicable for all contracts over \$10,000:

During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions

that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, “*drug-free workplace*” means a site for the performance of work done in connection with a specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

W. **NONDISCRIMINATION OF CONTRACTORS:** A bidder, offeror, or contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the bidder or offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

X. **eVA BUSINESS-TO-GOVERNMENT VENDOR REGISTRATION, CONTRACTS, AND ORDERS:** The eVA Internet electronic procurement solution, web site portal www.eVA.virginia.gov, streamlines and automates government purchasing activities in the Commonwealth. The eVA portal is the gateway for vendors to conduct business with state agencies and public bodies. All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution by completing the free eVA Vendor Registration. All bidders or offerors must register in eVA and pay the Vendor Transaction Fees specified below; failure to register will result in the bid/proposal being rejected.

Vendor transaction fees are determined by the date the original purchase order is issued and the current fees are as follows:

- a. For orders issued July 1, 2014, and after, the Vendor Transaction Fee is:
 - (i) DSBSD-certified Small Businesses: 1%, capped at \$500 per order.
 - (ii) Businesses that are not DSBSD-certified Small Businesses: 1%, capped at \$1,500 per order.
- b. Refer to Special Term and Condition “eVA Orders and Contracts” to identify the number of purchase orders that will be issued as a result of this

solicitation/contract with the eVA transaction fee specified above assessed for each order.

For orders issued prior to July 1, 2014, the vendor transaction fees can be found at www.eVA.virginia.gov.

The specified vendor transaction fee will be invoiced, by the Commonwealth of Virginia Department of General Services, typically within 60 days of the order issue date. Any adjustments (increases/decreases) will be handled through purchase order changes.

- Y. **AVAILABILITY OF FUNDS:** It is understood and agreed between the parties herein that the agency shall be bound hereunder only to the extent that the legislature has appropriated funds that are legally available or may hereafter become legally available for the purpose of this agreement.
- Z. **SET-ASIDES IN ACCORDANCE WITH THE SMALL BUSINESS ENHANCEMENT AWARD PRIORITY:** This solicitation is set-aside for award priority to DSBSD-certified micro businesses or small businesses when designated as “Micro Business Set-Aside Award Priority” or “Small Business Set-Aside Award Priority” accordingly in the solicitation. DSBSD-certified micro businesses or small businesses also include DSBSD-certified women-owned and minority-owned businesses when they have received the DSBSD small business certification. For purposes of award, offerors shall be deemed micro businesses or small businesses if and only if they are certified as such by DSBSD on the due date for receipt of bids/proposals.
- AA. **BID PRICE CURRENCY:** Unless stated otherwise in the solicitation, offerors shall state offer prices in US dollars.
- BB. **AUTHORIZATION TO CONDUCT BUSINESS IN THE COMMONWEALTH:** A contractor organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the *Code of Virginia* or as otherwise required by law. Any business entity described above that enters into a contract with a public body pursuant to the *Virginia Public Procurement Act* shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50, to be revoked or cancelled at any time during the term of the contract. A public body may void any contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

VII. SPECIAL TERMS AND CONDITIONS:

- A. **AUDIT:** The contractor shall retain all books, records, and other documents relative to this contract for five (5) years after final payment, or until audited by the Commonwealth of Virginia, whichever is sooner. The agency, its authorized agents, and/or state auditors shall have full access

to and the right to examine any of said materials during said period.

- B. **AWARD TO MULTIPLE OFFERORS:** Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors included in the Request for Proposals, including price, if so stated in the Request for Proposals. Negotiations shall be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the agency shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. The Commonwealth reserves the right to make multiple awards as a result of this solicitation. The Commonwealth may cancel this Request for Proposals or reject proposals at any time prior to an award, and is not required to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous (Code of Virginia, § 2.2-4359D). Should the Commonwealth determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the contractor's proposal as negotiated.

BEST AND FINAL OFFER (BAFO): At the conclusion of negotiations, the offeror(s) may be asked to submit in writing, a Best And Final Offer (BAFO). After the BAFO is submitted, no further negotiations shall be conducted with the offeror(s). The offeror's proposal will be rescored to combine and include the information contained in the BAFO. The decision to award will be based on the final evaluation including the BAFO.

- C. **BID ACCEPTANCE PERIOD:** Any proposal in response to this solicitation shall be valid for 60 days. At the end of the 60 days the proposal may be withdrawn at the written request of the offeror. If the proposal is not withdrawn at that time it remains in effect until an award is made or the solicitation is canceled.
- D. **CANCELLATION OF CONTRACT:** DHR reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the contractor. In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.
- E. **IDENTIFICATION OF PROPOSAL ENVELOPE:** If a special envelope is not furnished, or if return in the special envelope is not possible, the signed proposal should be returned in a separate envelope or package, sealed and identified as follows:

From:	
Name of Offeror	Due Date and Time
Street/Box No.	IFB No./RFP No.
City/State/Zip Code	IFB/RFP Title

DSBSD-certified Micro Business or Small Business No.	
Name of Contract/Purchase Officer or Buyer	

- i. The envelope should be addressed as directed.
 - ii. A proposal not contained in the special envelope is mailed, the offeror takes the risk that the envelope, even if marked as described above, may be inadvertently opened and the information compromised which may cause the proposal to be disqualified. Proposals may be hand delivered to the designed location in the office issuing the solicitation. No other correspondence or other proposals should be placed in the envelope.
- F. **SUBCONTRACTS:** No portion of the work shall be subcontracted without prior written consent of the agency. In the event that the contractor desires to subcontract some part of the work specified herein, the contractor shall furnish the agency with the names, qualifications and experience of their proposed subcontractors. The contractor shall, however, remain fully liable and responsible for the work to be done by his subcontractor(s) and shall assure compliance with all requirements of the contract.
- G. **SMALL BUSINESS SUBCONTRACTING AND EVIDENCE OF COMPLIANCE:**
 - A. It is the goal of the Commonwealth that 42% of its purchases be made from small businesses. This includes discretionary spending in prime contracts and subcontracts. All offerors are required to submit a Small Business Subcontracting Plan. Unless the offeror is registered as a DSBSD-certified small business and where it is not practicable for any portion of the awarded contract to be subcontracted to other suppliers, the contractor is encouraged to offer such subcontracting opportunities to DSBSD-certified small businesses. This shall include DSBSD-certified women-owned and minority-owned businesses when they have received DSBSD small business certification. No offeror or subcontractor shall be considered a small business unless certified as such by the Department of Small Business and Supplier Diversity (DSBSD) by the due date for receipt of bids or proposals. If small business subcontractors are used, the prime contractor agrees to report the use of small business subcontractors by providing the purchasing office at a minimum the following information: name of small business with the DSBSD certification number, phone number, total dollar amount subcontracted, category type (small, women-owned, or minority-owned), and type of product/service provided.
 - B. Each prime contractor who wins an award in which a small business subcontracting plan is a condition of the award, shall deliver to the contracting agency or institution on a monthly basis, evidence of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the small business subcontracting plan. Upon completion of the contract, the contractor agrees to furnish the purchasing office at a minimum the following information: name of firm with the DSBSD certification number, phone number, total dollar amount subcontracted, category type (small, women owned, or minority-owned), and type of product or service provided. Payment(s) may be withheld until compliance with the plan is received and confirmed by the agency or institution. The agency or institution reserves the right to pursue other

appropriate remedies for non-compliance to include, but not be limited to, termination for default.

- C. Each prime contractor who wins an award valued over \$200,000 shall deliver to the contracting agency or institution on monthly basis, information on use of subcontractors that are not DSBSD-certified small businesses. Upon completion of the contract, the contractor agrees to furnish the purchasing office at a minimum the following information: name of firm, phone number, total dollar amount subcontracted, and type of product or service provided.
- H. **INVENTIONS AND COPYRIGHTS:** The contractor is prohibited from copyrighting any papers, interim reports, forms, or other material and/or obtaining patents on any invention resulting from its/his performance under this agreement, except upon the written direction of the Commonwealth of Virginia. The copyright or patent shall belong to the Commonwealth of Virginia.
- I. **FREEDOM OF INFORMATION ACT:** Ownership of all data, material and documentation originated and prepared for the State is subject to public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by an offeror shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the offeror must invoke the protection of this section prior to or upon submission of the data or other materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary.
- J. **DRUG FREE WORKPLACE:** Each of the following acts is prohibited by the contractor or his/her employees performing service under the terms of a contract resulting from this solicitation.
- a. Unlawful or unauthorized manufacture, distribution, dispensing, possession or use of alcohol or other drugs at the workplace.
 - b. Impairment or incapacitation in the workplace from the use of alcohol or other drugs (except the use of drugs for legitimate medical purposes).
 - c. By submitting a proposal, offerors certify that they understand these prohibitions, and if awarded a contract as the result of this solicitation, they will comply. They also understand that a violation of these prohibitions is a breach of contract and can result in default action.
- K. **PRIME CONTRACTOR RESPONSIBILITIES:** The contractor shall be responsible for completely supervising and directing the work under this contract and all subcontractors that he may utilize, using his best skill and attention. Subcontractors who perform work under this contract shall be responsible to the prime contractor. The contractor agrees that he is as fully responsible for the acts and omissions of his subcontractors and of persons employed by them as he is for the acts and omissions of his own employees.
- L. **eVA BUSINESS-TO-GOVERNMENT CONTRACTS AND ORDERS:** The solicitation/contract will result in (1) purchase order(s) per project with the eVA transaction fee specified below assessed for each order.

Vendors desiring to provide services to the Commonwealth shall participate in the eVA Internet e-procurement.

- M. **STATE CORPORATION COMMISSION IDENTIFICATION NUMBER:** Pursuant to Code of Virginia, §2.2-4311.2 subsection B, a offeror organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 is required to include in its proposal the identification number issued to it by the State Corporation Commission (SCC). Any offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law is required to include in its proposal a statement describing why offeror is not required to be so authorized. Indicate the above information on the SCC Form provided. Contractor agrees that the process by which compliance with Titles 13.1 and 50 is checked during the solicitation stage (including without limitation the SCC Form provided) is streamlined and not definitive, and the Commonwealth's use and acceptance of such form, or its acceptance of Contractor's statement describing why the offeror was not legally required to be authorized to transact business in the Commonwealth, shall not be conclusive of the issue and shall not be relied upon by the Contractor as demonstrating compliance.
- N. **E-VERIFY PROGRAM:** Pursuant to Code of Virginia, §2.2-4308.2., any employer with more than an average of 50 employees for the previous 12 months entering into a contract in excess of \$50,000 with any agency of the Commonwealth to perform work or provide services pursuant to such contract shall register and participate in the E-Verify program to verify information and work authorization of its newly hired employees performing work pursuant to such public contract. Any such employer who fails to comply with these provisions shall be debarred from contracting with any agency of the Commonwealth for a period up to one year. Such debarment shall cease upon the employer's registration and participation in the E-Verify program. If requested, the employer shall present a copy of their Maintain Company page from E-Verify to prove that they are enrolled in E-Verify.

VIII. METHOD OF PAYMENT:

- A. **SUBMISSION OF INVOICES TO DHR:** *The contractor shall submit invoices for the work performed according to the schedule outlined in the Reporting and Delivery Instructions of each attached project.*

Original invoices must be sent to:

Virginia Department of Historic Resources
Attn: Finance Manager
2801 Kensington Ave.
Richmond, VA 23221
Phone: 804-482-6458

A copy of all invoices must also be e-mailed for approval to Blake McDonald at Blake.McDonald@dhr.virginia.gov

Electronic submissions are acceptable.

An invoice shall be provided by the contractor at each of the following stages of the project (see due dates in schedule, outlined in the Detailed Schedule of Deliverables section of each attached project):

1. Upon successful completion of the first project meeting, and the orientation and training meetings, as required (10% of the total project fee);
2. When the project has met the twenty five percent (25%) completion point (15% of the total project fee);
3. When the project has met the fifty percent (50%) completion point (25% of the total project fee);
4. When the project has met the seventy-five percent (75%) completion point (25% of the total project fee);
5. When the contractor has provided all final materials to DHR (25% of the total project fee).

B. PROGRESS REPORTS: *Each invoice must be accompanied by a progress report.*

The progress report shall:

1. List all tasks and deliverables required by the project;
2. State the percentage completed as of the date of the invoice;
3. Include an itemization of required services and products completed for that stage of the project;
4. Reflect submission of materials for review to DHR, and to the locality as required, as noted in the Reporting and Delivery Instructions section, of each attached project, with an itemization of materials submitted and date of submittal (the itemization should be in the form of DHR number, if assigned, and property address). Note that the progress reports may use the format of the project schedules included in each project overview, attached.

Electronic submissions are acceptable.

C. PAYMENT:

Payment on each invoice will be made by DHR within 30 days following receipt and approval of the invoice, contingent upon acceptance of the services performed and acceptance of the products for the period covered by the invoice. When review of materials covered by the invoice indicates that substantial revisions are needed to meet DHR requirements, approval of payment may be delayed due to the length of time required for review and DHR's need to confirm that the products will be acceptable once changes are made. DHR will make every effort to review products and approve invoices on acceptable materials within two weeks of receipt of deliverables. Note that failure to submit the invoice to the correct location, failure to submit a progress report with the invoice, or failure to submit a complete package of deliverables in the correct format and to the correct locations, prepared according to DHR requirements, may result in delayed payment.

IX. PRICING SCHEDULE:

I. PURPOSE

The purpose of this solicitation is to establish a contract for the purchase of services by the Commonwealth of Virginia's Department of Historic Resources (DHR) to carry out the Warm Springs and West Warm Springs Historic District Survey and Historic District Nomination. It is anticipated that this historic resources documentation effort will result in increased awareness about the location and significance of historic properties and support the County's long-range historic preservation planning efforts.

All administrative functions of this project will be the responsibility of DHR, including securing professional services to accomplish the work, and management of the project to ensure a product that will meet the needs and requirements of both the County and DHR, and that is delivered in a timely manner.

II. BACKGROUND AND PROJECT INFORMATION

The purpose of this project is to conduct a reconnaissance-level survey of approximately 109 properties and prepare a National Register of Historic Places nomination form for the Warm Springs and West Warm Springs Historic District (DHR ID # 008-5025). The Village of Warm Springs and West Warm Springs is situated in Northwest Bath County, at the base of Warm Springs Mountain and Little Mountain. Much of the early development of Warm Springs was concentrated around the Warm Sulphur Hotel, constructed ca. 1800. Throughout the 19th century the village continued to rely on tourists that frequented resorts in Warm Springs or at nearby Hot Springs. Following the Civil War, the small hamlet of West Warm Springs developed as an African American community with individuals seeking work at the nearby resorts. Though the Warm Springs resorts were in decline by the early 20th century, a new courthouse constructed in 1908 cemented the importance of the village as the seat of Bath County.

In 2017, DHR's Evaluation Team reviewed a Preliminary Information Form (PIF) for the Warm Springs and West Warm Springs Historic District and determined that the district is eligible for listing in the NRHP under Criteria A and C in the areas of Architecture, Community Planning and Development, Social and Ethnic History, Recreation/Entertainment. It is anticipated that the National Register of Historic Places nomination for the Warm Springs and West Warm Springs Historic District will encompass a period of significance spanning from 1800, the approximate construction date of the oldest resources within the district, through 1967. Each of the identified resources within the district will need to be designated as contributing or non-contributing to the district.

Although 22 resources have been recorded within the boundaries of the Warm Springs and West Warm Springs Historic District and several are already listed on the National Register of Historic Places, much of the existing survey is outdated and will need to be updated as part of this effort.

Additional information about the nomination requirements can be located on DHR's website:

http://www.dhr.virginia.gov/registers/GuidanceMaterials/TechGuidance_FAQs_NRnominations_2014_FINAL.docx. Examples of nominations can also be found in the Registers

section of DHR's website.

III. STATEMENT OF NEEDS

The consultant shall provide all labor and materials for the reconnaissance-level survey and preparation of the Warm Springs and West Warm Springs Historic District state and national register nomination form. The field survey and preparation of all materials shall be consistent with the procedures established by the U.S. Department of the Interior, National Park Service *National Register Bulletin 16A: How to Complete the National Register Registration Form (1997)* and all requirements as outlined in DHR's *National Register of Historic Places and Virginia Landmarks Register Nomination Process* available on DHR's website at: http://www.dhr.virginia.gov/registers/register_pif.htm

It is the expectation of DHR and the County that all materials prepared for this project will be professionally executed according to requirements contained herein. Materials that do not meet all requirements shall be returned to the consultant for editing and resubmission. Final products shall be provided according to the requirements for quantity, content, and format included in this RFP; shall be consistent with all applicable DHR requirements; and shall fully reflect comments resulting from review by DHR of draft materials submitted by the consultant to DHR, and by the County, according to the Detailed Schedule (Section VII).

IV. PROJECT DELIVERABLES

A. Reconnaissance Documentation

The following materials shall be provided for each recorded property:

- One (1) hard copy reconnaissance-level documentation form utilizing VCRIS for the data entry;
- One (1) set of 3½" x 5" or 4" x 6" color photographs placed in neatly labeled DHR photo sleeves and labeled according to DHR requirements;
- One (1) set of digital images saved on a CD-ROM as an uncompressed .JPG file, 1600x1200, at 300 dpi. Individual digital images shall be named and organized according to the convention found in DHR's [Survey Photograph Policy](#) (2016); and
- One (1) site plan sketch of each property indicating the relationship between the primary resource(s) and any secondary resource(s), the public sidewalk and street or road and neighboring properties, significant landscape features and any significant natural features such as creeks and rivers.

B. Nomination Form

The consultant shall prepare a nomination form using the *National Register of Historic Places Registration Form* available from DHR's website:

http://www.dhr.virginia.gov/registers/downloading_register_forms.htm and complete the nomination checklist:

[http://dhr.virginia.gov/registers/GuidanceMaterials/Register Nominaton CheckList 2017.pdf](http://dhr.virginia.gov/registers/GuidanceMaterials/Register_Nominaton_CheckList_2017.pdf)

f

The form will be prepared following all applicable guidelines including *National Register Bulletin 16A: How to Complete the National Register Registration Form* (1997) available online from the National Park Service at:

<http://www.nps.gov/nr/publications/bulletins/nrb16a/>

and DHR's *National Register of Historic Places and Virginia's Landmarks Registry Nomination Process* available at. http://www.dhr.virginia.gov/registers/register_pif.htm

V. PROJECT SCHEDULE OVERVIEW

A. Project Initiation

At the start of the project, the consultant shall meet with DHR staff, County officials, and interested parties to discuss the goals of the project. This meeting can be coordinated with a windshield survey of the area, a discussion of the historic district boundaries, and a public information meeting. The public information meeting will provide community members an opportunity to learn more about the survey and nomination process, meet the consultants working on the project, and provide historic information and sources about the historic district. It is anticipated that the consultant will attend the meeting and make a brief presentation about their organization and the district.

B. Background Research

Prior to beginning fieldwork, the consultant will review existing materials relevant to the study area/district held by the DHR Archives. The consultant will also examine all pertinent information related to the historic district in the County's government records and will carry out background research in other repositories including the local historical society, the Library of Virginia, and the Virginia Historical Society.

C. Interim Submittals

Interim draft materials are due at set intervals throughout the project, at 10%, 25%, 50%, 75%, and 90% completion points (See Detailed Schedule, Section VII). The draft survey materials will be provided to DHR's Architectural Survey Manager at each of the project intervals for their review and approval. These draft survey materials will include hardcopy versions of the VCRIS form, printed and labeled color photos, color digital photos, and a hardcopy site plan. Electronic versions of the survey materials will be provided to DHR's Northern Region staff at each of the project intervals for their review and approval. If the draft materials do not meet DHR requirements, they will be subject to revision by the consultant. DHR will remit interim payments when the draft and final submittals are approved by DHR's Architectural Historian, NRPO and Survey Manager.

The consultant will attend a project meeting with DHR's Architectural Historian, NRPO, and County officials no later than Friday, November 10, 2017 to discuss the project. A windshield survey of some or the entire proposed historic district may be conducted as part of this meeting.

By Friday, June 1, 2018, all complete, final products must be received by DHR.

Only questions submitted in the aforementioned manner will be answered. **Any communication with other staff of the Department of Historic Resources concerning this procurement is strictly prohibited and could serve as grounds for disqualification of the potential Offeror.**

I. PURPOSE

The purpose of this solicitation is to establish a contract for the purchase of services by the Commonwealth of Virginia's Department of Historic Resources (DHR) to carry out the Lexington Historic District Nomination Update. It is anticipated that this historic resources documentation effort will result in increased awareness about the location and significance of historic properties and support the City's long-range historic preservation planning efforts.

All administrative functions of this project will be the responsibility of DHR, including securing professional services to accomplish the work, and management of the project to ensure a product that will meet the needs and requirements of both the City and DHR, and that is delivered in a timely manner.

II. BACKGROUND AND PROJECT INFORMATION

The purpose of this project is to prepare an update to the National Register of Historic Places nomination form for the Lexington Historic District (DHR ID #117-0027). The original Lexington Historic District, listed on the State and National Registers in June 1972, included a period of significance encompassing the 18th, 19th, and 20th century, but lacked a detailed district inventory. In 2015, the City received a cost share grant from the Department of Historic Resources to hire a consultant to complete the individual reconnaissance level surveys of the properties within the boundaries of the Lexington Historic District. This survey updated 355 previously surveyed properties and recorded 37 properties not included in the original survey for a total of 392 properties within the district. Review of the survey identified approximately five (5) individual properties within the historic district that were not updated in the 2015 project. It is expected that the consultant will record these properties at the reconnaissance-level in DHR's on-line data management system (VCRIS) to ensure their inclusion in the historic district inventory.

Using the 2015 survey data, this project will bring the historic district nomination to current DHR standards and expand the period of significance to 1968. The boundaries of the historic district will remain intact and will not be updated as part of this project. Note that the existing Lexington Historic District boundaries include the campuses of both Washington & Lee University (W&L) and Virginia Military Institute (VMI). Both will appear in the nomination inventory as contributing individual resources.

The nomination update will extend the period of significance to 1968. Such buildings as Trinity Methodist Church (117-0027-0401) and the H & J Tire Company (117-0027-0080), in addition to several mid-twentieth century commercial buildings along S. Main Street as well as post-WWII residential areas including E. Washington Street, Tucker Street, and E. Henry Street that were originally considered non-contributing should be included in Narrative Statement of Significance within the updated nomination.

The nomination update materials will be presented on continuation sheets, not a new NRHP nomination form, and will include an updated resource count in Section 5, an updated narrative description and inventory in Section 7, and a statement of significance/historical context updated to cover the full extent of the period of

significance in Section 8. Note that the W&L and VMI campuses must be included in these discussions. Section 9 will be expanded to include materials referenced in the updated statement of significance, and Section 10 will be updated with accurate acreage and location coordinates. New historic district mapping showing the current conditions of the district and contributing/noncontributing status of each resource will also be required. GIS staff from the City of Lexington can provide baseline documentation information for creating the historic district map(s).

Additional information about the nomination update requirements can be located on DHR's website:

http://www.dhr.virginia.gov/registers/GuidanceMaterials/TechGuidance_FAQs_NRnominations_2014_FINAL.docx. The nomination update does not require an official public hearing or property owner notification. Examples of nomination updates can also be found in the *Registers* section of DHR's website.

III. STATEMENT OF NEEDS

The consultant shall provide all labor and materials for the preparation of the Lexington Historic District state and national register nomination form. Any additional field survey and preparation of all materials shall be consistent with the procedures established by the U.S. Department of the Interior, National Park Service *National Register Bulletin 16A: How to Complete the National Register Registration Form (1997)* and all requirements as outlined in DHR's *National Register of Historic Places and Virginia Landmarks Register Nomination Process* available on DHR's website at: http://www.dhr.virginia.gov/registers/register_pif.htm

It is the expectation of DHR and the County that all materials prepared for this project will be professionally executed according to requirements contained herein. Materials that do not meet these requirements shall be returned to the consultant for editing and resubmission. Final products shall be provided according to the requirements for quantity, content, and format included in this RFP; shall be consistent with all applicable DHR requirements; and shall fully reflect comments resulting from review by DHR of draft materials submitted by the consultant to DHR, and by the City, according to the Detailed Schedule (Section VII).

IV. PROJECT DELIVERABLES

A. Reconnaissance Documentation

The following materials shall be provided for each recorded property:

- One (1) hard copy reconnaissance-level documentation form utilizing VCRIS for the data entry;
- One (1) set of 3½" x 5" or 4" x 6" color photographs placed in neatly labeled DHR photo sleeves and labeled according to DHR requirements;
- One (1) set of digital images saved on a CD-ROM as an uncompressed .JPG file, 1600x1200, at 300 dpi. Individual digital images shall be named and organized

according to the convention found in DHR's [*Survey Photograph Policy*](#) (2016); and

- One (1) site plan sketch of each property indicating the relationship between the primary resource(s) and any secondary resource(s), the public sidewalk and street or road and neighboring properties, significant landscape features and any significant natural features such as creeks and rivers.

A. Updated Nomination Materials

The following products will be prepared to update the existing nomination:

- an updated inventory with (at least) DHR #, Property Type, Architectural Style, Date of Construction, and district status (contributing/non-contributing) that accounts for all buildings in the original district;
- a narrative description describing the historic context of the extended period of significance and how it continues the historic themes found in the district;
- A historic district map that shows the historic district boundaries, all resources in the historic district, their district status, and;
- A complete, updated bibliography.

This information will be provided on continuation sheets as additional documentation, and will not need to go through the board review process.

V. PROJECT SCHEDULE OVERVIEW

A. Project Initiation

At the start of the project, the consultant shall meet with DHR staff, City officials, and interested parties to discuss the goals of the project. This meeting can be coordinated with a windshield survey of the area.

B. Background Research

Prior to beginning fieldwork, the consultant will review existing materials relevant to the study area/district held by the DHR Archives. The consultant will also examine all pertinent information related to the historic district in the City's government records and will carry out background research in other repositories including W&L and VMI libraries/special collections, the local historical society, the Library of Virginia, and the Virginia Historical Society.

C. Interim Submittals

Interim draft materials are due at set intervals throughout the project, at the 25%, 50%, 75% 90% and 100% completion points (See Detailed Schedule, Section VII). Draft and final materials will be submitted to DHR's Architectural Historian, WRPO. If the draft materials do not meet DHR requirements, they will be subject to revision by the consultant. DHR will remit interim payments when the draft and final submittals are approved by DHR's Architectural Historian, WRPO and Survey Manager.

The consultant will attend a project meeting with DHR's Architectural Historian, WRPO, and City officials no later than Friday, November 17, 2017 to discuss the project. A windshield survey of some or the entire proposed historic district may be conducted as part of this meeting.

By Friday, February 23, 2018 a complete draft nomination packet with all required supporting materials must be received by DHR's Architectural Historian, WRPO.

By Friday, May 11, 2018, all complete, final products must be received by DHR.

All inquiries about the scope of the projects should be directed to Mr. Blake McDonald at (804) 482-6086 and all questions about the solicitation itself or procurement process should be directed to Ms. Madrika Martin at (804) 842-6457.

I. PURPOSE

The purpose of this solicitation is to establish a contract for the purchase of services by the Commonwealth of Virginia's Department of Historic Resources (DHR) to complete the Midland Historic District Nomination. It is anticipated that this historic resources nomination effort will result in increased awareness about the location and significance of historic properties and support Fauquier County's long-range historic preservation planning efforts.

All administrative functions of this project will be the responsibility of DHR, including securing professional services to accomplish the work, and management of the project to ensure a product that will meet the needs and requirements of both the County and DHR, and that is delivered in a timely manner.

II. BACKGROUND AND PROJECT INFORMATION

The purpose of this project is to complete the National Register of Historic Places nomination form for the Midland Historic District (DHR ID #030-5160). Midland is a small, rural village located in southern Fauquier County approximately 8 miles southeast of the Town of Warrenton and .5 miles north of the Warrenton Fauquier Airport. The Midland Historic District was evaluated and determined eligible for listing in the National Register of Historic Places through a Preliminary Information Form in 2001. In 2011, the entire district was surveyed at the reconnaissance level, and a National Register of Historic Places nomination was drafted. A public meeting was held at the Midland Methodist Church in November 2011 to inform the public of the nomination, which was then ready for DHR final review. As a matter of course, the Board of Supervisors was asked in January of 2012 to support the nomination with the approval of a resolution. Unfortunately, the Board denied this request with misunderstandings regarding the benefits of National Register designation. The draft nomination has remained incomplete for five years.

Today, local Board of Supervisors members have a deeper understanding of National Register designation. The Cedar Run District Supervisor, who represents the Midland community, has recently expressed his support of a Midland Historic District National Register nomination submission. With this political support, County staff feels that now is the time to complete the project.

This project will involve a cursory physical examination of approximately 33 historic properties (a total of 56 contributing and 50 non-contributing resources) that were originally surveyed in 2011 for inclusion in the Midland Historic District National Register nomination inventory. Significant changes to primary and secondary resources since the last date of survey (e.g. demolitions, large additions, major building material changes, etc.) will be recorded in DHR's on-line data management system (VCRIS).

The project would also result in an update of the draft Midland Historic District National Register nomination, with a concentration on revisions to Section 7. The completion of the nomination will also entail the extension of the period of significance from 1960 to 1968. With the extended period of significance, three residential properties originally designated as non-contributing will likely be contributing to the district. The consultant

will need to confirm this amendment during the windshield survey of the district.

Additional information about the nomination requirements can be located on DHR's website:

http://www.dhr.virginia.gov/registers/GuidanceMaterials/TechGuidance_FAQs_NRnominations_2014_FINAL.docx. Examples of nominations can also be found in the Registers section of DHR's website.

III. STATEMENT OF NEEDS

The consultant shall provide all labor and materials for the preparation of the Midland Historic District state and national register nomination form. Any additional field survey and preparation of all materials shall be consistent with the procedures established by the U.S. Department of the Interior, National Park Service *National Register Bulletin 16A: How to Complete the National Register Registration Form (1997)* and all requirements as outlined in DHR's *National Register of Historic Places and Virginia Landmarks Register Nomination Process* available on DHR's website at: http://www.dhr.virginia.gov/registers/register_pif.htm

It is the expectation of DHR and the County that all materials prepared for this project will be professionally executed according to requirements contained herein. Materials that do not meet these requirements shall be returned to the consultant for editing and resubmission. Final products shall be provided according to the requirements for quantity, content, and format included in this RFP; shall be consistent with all applicable DHR requirements; and shall fully reflect comments resulting from review by DHR of draft materials submitted by the consultant to DHR, and by the County, according to the Detailed Schedule (Section VII).

IV. PROJECT DELIVERABLES

A. Reconnaissance Documentation

For each property that has experienced significant change (resource replacement, demolition, or major alteration) since the previous survey, the following materials shall be provided:

- One (1) hard copy reconnaissance-level documentation form utilizing VCRIS for the data entry;
- One (1) set of 3½" x 5" or 4" x 6" color photographs placed in neatly labeled DHR photo sleeves and labeled according to DHR requirements;
- One (1) set of digital images saved on a CD-ROM as an uncompressed .JPG file, 1600x1200, at 300 dpi. Individual digital images shall be named and organized according to the convention found in DHR's [Survey Photograph Policy](#) (2016); and
- One (1) site plan sketch of each property indicating the relationship between the primary resource(s) and any secondary resource(s), the public sidewalk and street or road and neighboring properties, significant landscape features and any

significant natural features such as creeks and rivers.

B. Nomination Form

The consultant shall update and complete the draft nomination following all applicable guidelines including *National Register Bulletin 16A: How to Complete the National Register Registration Form* (1997) available online from the National Park Service at: <http://www.nps.gov/nr/publications/bulletins/nrb16a/> and DHR's *National Register of Historic Places and Virginia's Landmarks Registry Nomination Process* available at: http://www.dhr.virginia.gov/registers/register_pif.htm

V. PROJECT SCHEDULE OVERVIEW

A. Project Initiation

At the start of the project, the consultant shall meet with DHR staff, County officials, and interested parties to discuss the goals of the project. This meeting can be coordinated with a windshield survey of the area, a discussion of the historic district boundaries, and a public information meeting. The public information meeting will provide community members an opportunity to learn more about the nomination update process, meet the consultants working on the project, and provide historic information and sources about the historic district. It is anticipated that the consultant will attend the meeting and make a brief presentation about their organization and the district update.

B. Background Research

Prior to beginning fieldwork, the consultant will review existing materials relevant to the district held by the DHR Archives. The consultant will also examine all pertinent information related to the historic district in the County's government records and will carry out background research in other repositories including the Virginiana Room of the Fauquier County Public Library, the Library of Virginia, and the Virginia Historical Society.

C. Interim Submittals

Interim draft materials are due at set intervals throughout the project, at 20%, 40%, and 60%, 80% and 100% completion points (See Detailed Schedule, Section VII). Draft and final materials will be submitted to DHR's Architectural Historian, NRPO. If the draft materials do not meet DHR requirements, they will be subject to revision by the consultant. DHR will remit interim payments when the draft and final submittals are approved by DHR's Architectural Historian, NRPO and Survey Manager.

The consultant will attend a project meeting with DHR's Architectural Historian, NRPO, and County officials no later than Friday, November 3, 2017 to discuss the project. A windshield survey of some or the entire proposed historic district may be conducted as part of this meeting.

By Friday, June 1, 2018, all complete, final products must be received by DHR.

Only questions submitted in the aforementioned manner will be answered. **Any communication with other staff of the Department of Historic Resources concerning this procurement is strictly prohibited and could serve as grounds for disqualification of the potential Offeror.**

I. PURPOSE

The purpose of this solicitation is to establish a contract for the purchase of services by the Commonwealth of Virginia's Department of Historic Resources (DHR) to complete the Port Royal Survey and Report. It is anticipated that this historic resources documentation effort will result in increased awareness about the location and significance of historic properties and support the Town of Port Royal's long-range historic preservation planning efforts.

All administrative functions of this project will be the responsibility of DHR, including securing professional services to accomplish the work, and management of the project to ensure a product that will meet the needs and requirements of both the Town and DHR, and that is delivered in a timely manner.

II. BACKGROUND AND PROJECT INFORMATION

The purpose of this project is to complete an architectural survey and report for the Town of Port Royal in Caroline County. Located on the banks of the Rappahannock River, the Town of Port Royal was officially established in 1744 and served as an important commercial hub until the rise of rail transportation. The Port Royal Historic District (DHR ID #284-0047) was listed on the State and National Registers in January 1970 with a Period of Significance spanning the 18th and 19th centuries. Two properties within the district are individually listed on the State and National Registers; Riverview (DHR ID #284-0003) and Townfield (DHR ID #284-0015). The most recent survey of properties in the historic district took place in 1988, and encompassed 46 resources constructed prior to 1980.

In order to support the efforts of the Town of Port Royal Planning Commission and in anticipation of a potential future National Register of Historic Places update to the Town of Port Royal Historic District, this project will entail a complete reconnaissance-level architectural resources survey of all properties within the town boundaries. The project will involve gathering architectural data for approximately 80 properties, inputting the information into DHR's on-line data management system (VCRIS), and producing supporting documentation required for all survey projects.

The project will also result in the production of a summary report detailing the history of the Town of Port Royal. The report will identify potential archaeological sites within the town boundaries based on a review of existing documents pertaining to the town's history as well as field observations.

III. STATEMENT OF NEEDS

It is the expectation of DHR and the County that all materials prepared for this project will be professionally executed according to requirements contained herein. Materials that do not meet these requirements shall be returned to the consultant for editing and resubmission. Final products shall be provided according to the requirements for quantity, content, and format included in this RFP; shall be consistent with all applicable DHR requirements; and shall fully reflect comments resulting from review by DHR of draft materials submitted by the consultant to DHR, and by the Town, according to the Detailed Schedule (Section VII).

IV. PROJECT DELIVERABLES

A. Reconnaissance Documentation

The following materials shall be provided for each recorded property:

- One (1) hard copy reconnaissance-level documentation form utilizing VCRIS for the data entry;
- One (1) set of 3½” x 5” or 4” x 6” color photographs placed in neatly labeled DHR photo sleeves and labeled according to DHR requirements;
- One (1) set of digital images saved on a CD-ROM as an uncompressed .JPG file, 1600x1200, at 300 dpi. Individual digital images shall be named and organized according to the convention found in DHR’s [Survey Photograph Policy](#) (2016); and
- One (1) site plan sketch of each property indicating the relationship between the primary resource(s) and any secondary resource(s), the public sidewalk and street or road and neighboring properties, significant landscape features and any significant natural features such as creeks and rivers.

B. Survey Report

The consultant shall prepare a written report, illustrated with photographs, historic images, maps, and other graphics as appropriate. The survey report will make specific recommendations regarding updates to the Town of Port Royal Historic District nomination form, including potential boundary adjustments, extensions to the period of significance, and additional areas of significance. The final report shall be submitted on disk, saved as a PDF, as well as in hard copy to DHR and the Town of Port Royal. Further guidance for preparing the survey report is found in DHR’s *Guidelines* (2011).

V. PROJECT SCHEDULE OVERVIEW

A. Project Initiation

At the start of the project, the consultant shall meet with DHR staff, Town officials, and interested parties to discuss the goals of the project. This meeting can be coordinated with a windshield survey of the area and a public information meeting. The public information meeting will provide community members an opportunity to learn more about the nomination update process, meet the consultants working on the project, and provide historic information and sources about the historic district. It is anticipated that the consultant will attend the meeting and make a brief presentation about their organization and the district update.

B. Background Research

Prior to beginning fieldwork, the consultant will review existing materials relevant to the study area held by the DHR Archives. The consultant will also examine all pertinent information related to the study area in the Town’s government records and will carry out

background research in other repositories including the local historical society, the Library of Virginia, and the Virginia Historical Society.

C. Interim Submittals

Interim draft materials are due at set intervals throughout the project, at 25%, 75%, and 100% completion points (See Detailed Schedule, Section VII). The draft survey materials will be provided to DHR's Architectural Survey Manager at each of the project intervals for their review and approval. These draft survey materials will include hardcopy versions of the VCRIS form, printed and labeled color photos, color digital photos, and a hardcopy site plan. Electronic versions of the survey materials will be provided to DHR's Eastern Region staff at each of the project intervals for their review and approval. If the draft materials do not meet DHR requirements, they will be subject to revision by the consultant. DHR will remit interim payments when the draft and final submittals are approved by DHR's Architectural Historian, ERPO and Survey Manager.

The consultant will attend a project meeting with DHR's Architectural Historian, ERPO, and Town officials no later than Friday, November 17, 2017 to discuss the project. A windshield survey of some or the entire study area may be conducted as part of this meeting.

By Friday, May 11, 2018, all complete, final products must be received by DHR.

I. PURPOSE

The purpose of this solicitation is to establish a contract for the purchase of services by the Commonwealth of Virginia's Department of Historic Resources (DHR) to carry out the North Broad Street Historic District Survey and Historic District Nomination project. It is anticipated that this historic resources documentation effort will result in increased awareness about the location and significance of historic properties and support the City's long-range historic preservation planning efforts.

All administrative functions of this project will be the responsibility of DHR, including securing professional services to accomplish the work, and management of the project to ensure a product that will meet the needs and requirements of both the City and DHR, and that is delivered in a timely manner.

II. BACKGROUND AND PROJECT INFORMATION

The purpose of this project is to conduct a reconnaissance-level survey of approximately 41 properties and prepare a National Register of Historic Places nomination for the North Broad Street Historic District (DHR ID #129-5050). At 26.5 acres, the district encompasses both sides of North Broad Street, between 114 North Broad Street (the border with the existing Downtown Salem Historic District) and 513 North Broad Street on the west side, and 500 North Broad Street on the east side. Many of the properties feature secondary resources that shall be included in the surveys and enumerated in the nomination.

The majority of the district has not been formally documented with DHR. It includes well-preserved examples of architecture styles including Second Empire, Italianate, Late Victorian, Queen Anne, Stick Style, Folk Victorian, Classical Revival, Georgian Revival and other Colonial Revival, Tudor Revival, and American Foursquare. One building within the district, the Evans House (DHR ID #129-0017) at 213 North Broad Street was individually listed on the VLR and NRHP in 1972. Eight additional properties within the district have been previously recorded, but will need to be re-visited and documented as part of this effort.

In 2015, a Preliminary Information Form resulted in the North Broad Street Historic District being determined eligible by DHR under Criteria A and C in the areas of Community Planning and Development and Architecture. It is anticipated that the National Register of Historic Places nomination for the North Broad Street Historic District will encompass a period of significance spanning from 1866, when the first extant houses in the district were built, through 1938, after which new construction within the district diminished. Each of the surveyed resources will need to be designated as contributing or non-contributing to the district. Note that a public hearing will be necessary at the conclusion of the project, at which the consultant will be expected to make a brief presentation.

Additional information about the nomination requirements can be located on DHR's website:

http://www.dhr.virginia.gov/registers/GuidanceMaterials/TechGuidance_FAQs_NRnominations_2014_FINAL.docx. Examples of nominations can also be found in the Registers section of DHR's website.

III. STATEMENT OF NEEDS

The consultant shall provide all labor and materials for the preparation of the North Broad Street Historic District national register nomination. Field survey and preparation of all materials shall be consistent with the procedures established by the U.S. Department of the Interior, National Park Service *National Register Bulletin 16A: How to Complete the National Register Registration Form* (1997) and all requirements as outlined in DHR's *National Register of Historic Places and Virginia Landmarks Register Nomination Process* available on DHR's website at: http://www.dhr.virginia.gov/register/register_pif.htm

It is the expectation of DHR and the County that all materials prepared for this project will be professionally executed according to requirements contained herein. Materials that do not meet these requirements shall be returned to the consultant for editing and resubmission. Final products shall be provided according to the requirements for quantity, content, and format included in this RFP; shall be consistent with all applicable DHR requirements; and shall fully reflect comments resulting from review by DHR of draft materials submitted by the consultant to DHR, and by the City, according to the Detailed Schedule (Section VII).

IV. PROJECT DELIVERABLES

A. Reconnaissance Documentation

The following materials shall be provided for each recorded property:

- One (1) hard copy reconnaissance-level documentation form utilizing VCRIS for the data entry;
- One (1) set of 3½" x 5" or 4" x 6" color photographs placed in neatly labeled DHR photo sleeves and labeled according to DHR requirements;
- One (1) set of digital images saved on a CD-ROM as an uncompressed .JPG file, 1600x1200, at 300 dpi. Individual digital images shall be named and organized according to the convention found in DHR's [Survey Photograph Policy](#) (2016); and
- One (1) site plan sketch of each property indicating the relationship between the primary resource(s) and any secondary resource(s), the public sidewalk and street or road and neighboring properties, significant landscape features and any significant natural features such as creeks and rivers.

B. Nomination Form

The consultant shall prepare a nomination form using the *National Register of Historic Places Registration Form* available from DHR's website:

http://www.dhr.virginia.gov/register/downloading_register_forms.htm

The form will be prepared following all applicable guidelines including *National Register Bulletin 16A: How to Complete the National Register Registration Form* (1997) available online from the National Park Service at:

<http://www.nps.gov/nr/publications/bulletins/nrb16a/>

and DHR's *National Register of Historic Places and Virginia's Landmarks Registry Nomination Process* available at. http://www.dhr.virginia.gov/registers/register_pif.htm

V. PROJECT SCHEDULE OVERVIEW

A. Project Initiation

At the start of the project, the consultant shall meet with DHR staff, City officials, and interested parties to discuss the goals of the project. This meeting can be coordinated with a windshield survey or walking tour of the district.

B. Background Research

Prior to beginning fieldwork, the consultant will review existing materials relevant to the study area/district held by the DHR Archives. The consultant will also examine all pertinent information related to the historic district in the City's government records and will carry out background research in other repositories including the local historical society, the Library of Virginia, and the Virginia Historical Society.

C. Interim Submittals

Interim draft materials are due at set intervals throughout the project, at 20%, 40%, 60%, 80%, 90% and 100% completion points (See Detailed Schedule, Section VII). The draft survey materials will be provided to DHR's Architectural Survey Manager at each of the project intervals for their review and approval. These draft survey materials will include hardcopy versions of the VCRIS form, printed and labeled color photos, color digital photos, and a hardcopy site plan. Electronic versions of the survey materials will be provided to DHR's Western Region staff at each of the project intervals for their review and approval. If the draft materials do not meet DHR requirements, they will be subject to revision by the consultant. DHR will remit interim payments when the draft and final submittals are approved by DHR's Architectural Historian, WRPO and Survey Manager.

Draft and final historic district nomination materials will be submitted to DHR's Architectural Historian, WRPO. If the draft materials do not meet DHR requirements, they will be subject to revision by the consultant. DHR will remit interim payments when the draft and final submittals are approved by DHR's Architectural Historian, WRPO.

The consultant will attend a project meeting with DHR's Architectural Historian, WRPO, and City officials no later than Friday, November 10, 2017 to discuss the project. A windshield survey or walking tour of some or the entire proposed historic district may be conducted as part of this meeting.

By Wednesday, May 16, 2018, all complete, final products must be received by DHR.

I. PURPOSE

The purpose of this solicitation is to establish a contract for the purchase of services by the Commonwealth of Virginia's Department of Historic Resources (DHR) to complete the Virginia Beach Archaeological Assessment and Report. It is anticipated that this historic resources documentation effort will result in increased awareness about the location and significance of historic properties and support the City of Virginia Beach's long-range historic preservation planning efforts.

All administrative functions of this project will be the responsibility of DHR, including securing professional services to accomplish the work, and management of the project to ensure a product that will meet the needs and requirements of both the City and DHR, and that is delivered in a timely manner.

II. BACKGROUND AND PROJECT INFORMATION

The City of Virginia Beach is located in the southeastern corner of Virginia, where the state meets the Atlantic Ocean. Virginia Beach is the most populous city in Virginia and the 39th largest city in the United States, with approximately 454,000 residents.

The objective of this project is to complete an archaeological assessment and report for the Northern portion of the City of Virginia Beach. The project will integrate existing information with documentary research, community interviews, geographical and topographical analysis and walkover field observation. The project will not include any subsurface testing. The geographic area to be included is the northern half of the City of Virginia Beach, which is bounded by the Atlantic Ocean on the east; North Landing Road, Princess Anne Road and Sandbridge Road on the south; the cities of Chesapeake and Norfolk on the West; and, the Chesapeake Bay on the north (Section VIII).

The archaeological assessment is expected to result in three deliverables; updated condition information for all previously surveyed archaeological sites, a written report synthesizing the findings of the update, and a GIS layer mapping all resources included in the update and report.

There are approximately 357 archaeological sites within the project area recorded in DHR's on-line data management system (VCRIS). It is expected that this project will result in updated condition information on all sites through analysis of known resources including aerial imagery, review of available archaeological reports, interviews with community members, and field observation. All updates to the previously recorded archaeological sites will be entered into VCRIS.

It is anticipated that the project methodology may also result in the identification of unrecorded archaeological sites. It is expected that information of no more than thirty (30) newly identified sites will also be entered into VCRIS. The scope of this project does not generally include resources located on land owned by the Commonwealth of Virginia or the United States of America unless they have been previously identified and are included in the current DHR database or have had published archaeological surveys and reports.

Data collected on new and previously identified archaeological sites will be used to produce a written report consolidating the existing information on archaeological resources in Virginia Beach. As part of this report, the consultant will produce a prehistoric context and a historic context for Virginia Beach with a concentration on settlement patterns in the City's northern half, identify areas that could have the potential to produce historic resources of archaeological interest, and provide recommendations for future assessment and survey activities for archaeological sites.

The survey data entered in VCRIS will be utilized to produce a GIS layer for use by the City of Virginia Beach. This layer should also identify the areas of potential archaeological interest outlined in the written report.

Additional information about the report requirements can be located in Chapter 10 of DHR's survey manual: http://dhr.virginia.gov/pdf_files/Survey%20Manual-RevOct.2011Final.pdf

III. STATEMENT OF NEEDS

It is the expectation of DHR and the County that all materials prepared for this project will be professionally executed according to requirements contained herein. Materials that do not meet these requirements shall be returned to the consultant for editing and resubmission. Final products shall be provided according to the requirements for quantity, content, and format included in this RFP; shall be consistent with all applicable DHR requirements; and shall fully reflect comments resulting from review by DHR of draft materials submitted by the consultant to DHR, and by the City, according to the Detailed Schedule (Section VII).

IV. PROJECT DELIVERABLES

A. VCRIS Data Entry

The consultant shall update information on approximately 357 previously surveyed archaeological sites and enter data for no more than thirty (30) new sites through DHR's on-line data management system (VCRIS).

B. Survey Report

The consultant shall prepare a written report, illustrated with photographs, historic images, maps, and other graphics as appropriate. The final report shall be submitted on disk, saved as a PDF, as well as in hard copy to DHR and the City of Virginia Beach. Further guidance for preparing the survey report is found in DHR's *Guidelines* (2011). Digital images should be saved as uncompressed TIF files, 1600x1200, at 300 DPI, named according to DHR's convention found in the *Guidelines* (2011), and included on the disk with the digital survey report.

C. GIS Layer

The consultant shall prepare a GIS layer for the City of Virginia Beach mapping the location of all archaeological resources recorded or updated as part of the project. The layer will be produced using the data resulting from VCRIS data entry and augmented

with the locations of potential archaeological sites as defined in the written report.

V. PROJECT SCHEDULE OVERVIEW

A. Project Initiation

At the start of the project, the consultant shall meet with DHR staff, City officials, and interested parties to discuss the goals of the project. This meeting can be coordinated with a public information meeting. The public information meeting will provide community members an opportunity to meet the consultants working on the project and provide historic information and sources about the area. It is anticipated that the consultant will attend the meeting and make a brief presentation about their organization and the archaeological assessment.

B. Background Research and Visual Reconnaissance Survey

The consultant will review existing materials relevant to the study area held by the DHR Archives. The consultant will also examine all pertinent information related to the study area in the City's government records and will carry out background research in other repositories including the local historical society, the Library of Virginia, and the Virginia Historical Society. Through visual reconnaissance survey, the consultant will confirm the condition of all accessible sites identified during background research. The findings of both the background research and visual reconnaissance survey will be utilized to complete VCRIS data entry for both previously identified and newly located sites.

C. Interim Submittals

Interim draft materials are due at set intervals throughout the project, at 25%, 50%, and 75% completion points (See Detailed Schedule, Section VII). Draft and final materials will be submitted to DHR's Archaeological Data Manager. If the draft materials do not meet DHR requirements, they will be subject to revision by the consultant. DHR will remit interim payments when the draft and final submittals are approved by DHR's Archaeologist, ERPO and Archaeological Data Manager.

The consultant will attend a project meeting with DHR's Archaeologist, ERPO, and City officials no later than Friday, October 6, 2017 to discuss the project. A windshield survey of some or the entire study area may be conducted as part of this meeting.

By Friday, May 11, 2018, all complete, final products must be received by DHR.
